Kalibrindra napa Jamadar
of the Pallendur Jaghir
says :—

The Jaghirdar's claim is for the duty on arrack sold in the Jaghir —

There are now 3 shops in the Jaghir where arrack is sold viz Cuba — Agara — Mainhally —

These three have existed always during many years past — In 1864 & 1865 (Rakshasi Nirdhanam) there were nine shops —

The duty is claimed for the years from 1878 - 1879 —

Before 1878-79 the Jaghirdar used to receive both the license fees on the arrack shops in the Jaghir as well as the duty on the quantity of arrack sold therein — The rates of license fee were 5 Rs in Cuba and 2 Rs in Mainlaces — The licensees used to the price of the Jaghirdar himself with his signature good & the license fees were paid into the Jaghir Treasury by the license holders in Monthly instalments — The license holders used to get their supplies of arrack from the Mainhally Distillery from the Contractors who had obtained from Govt the monopoly of manufacturing arrack — From the amount paid by the license holders for such arrack

a rate of £1-4 per gallon used the
remitted & the Jaghirdar through
the Deniganalam Talook treasury
on account of duty - When arrack
was supplied to the licensed holders
Tahadaries used the spirit and
one set get duplicates of these
Tahadaries, & thereby the Jaghir
Cutchery & the Deputy accountant
into the quantity of arrack issued
for the Jaghir shops - We would thus
be enabled to check the remittances
on account of duty made & the Jaghir
treasury through the Deniganalam
Talook -

This practice continued till 1878-79
from the year in which outstills were
abolished and the Modern Distillery
System Established in 1863 -

Before 1863 I introduced an
Office order No 13 (Sayer) dated (11th Nov) marked A
11th Nov 1863 from the Dr Mysore Dist
Revenue & the Jaghir Talook accordingly
in the

(a) Establishment of stills in the Jaghir prohibited -

(b) Supply of arrack ordered & the
taken from the first contractors
Edwards & Co whose contract
was given for the period
of 5 yrs from Nov 1863

(c) The Still head duty (or arrack excise duty)
of £1-4 annas per gallon of the
Cost of Establishment is granted & the
Jaghirdar

(d) A license fee of £10 for first class, £5 —

for 2nd & the 2 for 3rd Charges as
ordered the Council of taking the
Depositions –

I herewith also copy of an
Order No 16 (Sayer) from Dr. Hooker
Relative to the Gilleenduna Estate Amalda
Dated 26th Dec 1863 in which it is
ordered that

The balance of £20 Salaries of each
Keeper Shikmi Gyendendas upon
hands shall be paid over to the
credit of Edwards Post acct for

credited to the Depositions accounts.

The Deputy Commissioner, Colonel Hill, stated, that although a Jaghirdar he is in addition to the Jaghirdar of Sivasamoodrum and other Inamdars, yet in consideration of a whole Taluq having been granted to his forefathers, he, (the Yellundoor Jaghirdar) has been treated with greater consideration and has hitherto enjoyed the full revenue from arrack, differing therein from other Inamdars who under the ruling of the Chief Commissioner, are not entitled to it. As regards the last para of your letter, assuming that the circumstances of the case the Sivasamoodrum Jaghirdar to which analogy is claimed should be reported. It is evident from the part of Col: Hill's letters above quoted that the Jaghirdar of Yellundoor was in this matter entitled to Special

The Sivasamoodrum Jaghirdar do enjoy the right to arrack revenue.

I cannot find that after the prohibiting order of the Deputy Accountant General that the Chief Commissioner was addressed on the subject, and what is more extraordinary, that the Jaghirdar does not seem to have moved in any way till the other day (13 years after the order) in the matter.

OFFICE OF THE COMPTROLLER OF MYSORE,

Bangalore, 9th *May* 1890.

From

A. RANGASWAMI IYENGAR, ESQ.,

Comptroller of Mysore.

COMPTROLLER'S OFFICE 9 MAY 90 MYSORE

To

The Chief Secretary
to the Government of
Mysore

SIR,

With reference to your docket No. 9578/608 dated 4th March 1890, I have the honor to state that no payments to the Jagheerdar of Gellandur on account of Arrack Revenues are recorded in the Books of this office, up to date.

2 In December 1875 it was discovered that the Jagheerdar was paid for the Spirits supplied by the Palhally Distillery and sold in the Jaghеer, by a discrepancy which appeared between the credit entered in the Mysore District Treasury account for October 1875 on account of Still head duty and the amount entered in the statement of spirits sold to Vendors furnished by the Deputy Commissioner Mysore for that month. On 8th January 1876 this office called for the authority under which the payments were made. But notwithstanding repeated reminders no explanation was furnished till 12th July 1876 when the Deputy Commissioner forwarded Copy of Mr. Krishnamurti's letter No. 290 dated 31st March 1876. It was stated in that letter that there was a Still in the Jagheer from

from one memorial and when the Sudder Distillery was established in Palkalli, the revenue from the Still head duty and the sale of liquor in the Jaghier was allowed to be credited to the Jaghier Revenue, to compensate the Jaghieer and that the same system had been kept up and there was no change in the procedure newly introduced. This office then remarked in No. 2059 dated 17th July 1876 that no authority had been referred to in the letter. The Deputy Commissioner then desired, in his No. 886 dated 10th August, that this office should obtain the orders of Government as regards past payments and "for future guidance". The Deputy Commissioner was asked in this office No. 2709 dated 24th idem to submit the matter to Chief Commissioner for his sanction and not to make any payments till such sanction was received. But payments were continued and this office again repeatedly asked Deputy Commissioner whether sanction had been obtained. On 7th April 1877 the Deputy Commissioner replied that the Commissioner of Ashtagram had been requested to apply for the sanction and on the receipt of this reply the Deputy Commissioner was prohibited (vide No. 247-14th April 1877) from making the payments till such sanction was obtained. A reminder was also sent on 2nd August 1877 but it was not answered and the matter was then allowed to drop. It will be thus seen that there is no record

of

of any authorised payments and that such as were made took place not only without authority but without the knowledge of this office in the first instance and were repeated contrary to its reiterated orders.

3 The correspondence which took place in this office on the subject, as noted in the margin, are submitted in original for information and kind return when done with.

Sir

Adverting to the Govt order
No. 5325-6/383 of the 14th August 1890
I have the honour respectfully to
represent that the revenue from
spirituous liquors is included
in the Jaghir Sannad. In the
calculation of the five years
revenue adopted at the time
this item derived from spirituous
liquors was taken into account.
The figures quoted in the State
ment appended to Wilks's Map
and in the correspondence which
resulted in the grant of the Jaghir
are identical. The same figures
are mentioned in the Sannad.
Accordingly this item of revenue

having been thus specifically
grie---- has been enjoyed by myself
and by my ancestors both when
the Jaghir was managed by us
directly and also when it was managed
for us by the Mysore Government.
This period extends over seventy
years. The ground on which I
claim is both an express grant
and the subsequent uninterrupted
enjoyment.

In a plain case like this I
feel somewhat at a loss to know
what these explanations I have to
submit than what I have already
placed before the Dewan. If however
any more information is wanted
I shall be prepared to wait upon
the Dewan and give him all such
information as he may be pleased
to ask for.

In conclusion I beg for an early
settlement of this question as this same
has been pending for some years.

me for writing this to remind
you of the reference which are
pending regarding the toddy
and arrack revenue payable
to this Zaptie.

During your absence in
Courtallam Mr. Thambu Chetty
passed an order by the Comptroller
that the arrack money shd be pai
as the matter had been decided
with reference to the accused, and the
order went. No further than re-
iterating my complaint that the
money had been withheld. I
have sent an official representation

in the matter which I trust will be soon placed before you and will receive your generous and early consideration. As you will see the revenue derived from Spirituous liquors is included in the assets calculated on and conveyed away by this Summad I have enjoyed the revenue from as far back as the accounts are traceable and all that I ask for now is the removal of the impediment which was thrown unnecessarily in my way by the Dy Ad Genl and which has kept me out of my dues for the last several years In a matter which is so wholly without my control all that I can do is to beseech you earnestly to give my hard case your favorable and generous consideration. I claim the revenue in proportion to the quantity of liquor consumed

in the Jaghir means the cost of preparation and departmental organisation.

The other subject refers to the toddy revenue. The papers are all pending in your office even there I ask for nothing more than what I and my ancestors have been allowed to enjoy and have been enjoying as ours. Till the previous policy was departed the revenue due to the Jaghir was shared by the rule of proportion with reference to the rest of the district and the Contractor was made to execute a separate Mochulka and pay the money to the Jaghir. This practice had to be discontinued as in consequence of the Govt. notice calling for tenders Yelandur was included and therefore I could only look to Govt

for the money due to the Japan
I do not wish to take up your
time by a reiteration of the ar
guments used in my office letter
from a to which you will
find that I ask for nothing m
than a continuance of the pres
usage and for the proportional
amount being paid home.
I beg you will be pleased to
consider this question generously
and pass early orders.

I assure you that in this matter
I am weighed down by a heavy
sense of responsibility and if I
leave no permanent marks of
improvement who remembered by
those who are destined with
the Japan after me I am anxious
that they shd not find it impossi

in any respect in my time
without your generous sympa-
and active help I am unable
to do any thing and I trust you
will pardon my troubling you
in this matter and pass early
orders regarding the back arrear

You will have also to decide
what is to be done with refer to
the Jagir in future. Now that
the Jagir has to be leased out
separately unconnected with
other Talukas of the Mysore State
my first impulse is to ask
you to allow me to deal with it
separately after you defining
and setting apart the Tobes in
the Channagiri Taluq which
have been heretofore supplying
and are hereafter to supply

of the Jaghir. These lotes may if you like be leased permanently to the Jaghir. or if you prefer it I must take the lease of the chan-
-rajnagar Taluq I avoid all trouble and difficulty which may be raised in respect of the Jaghir Lotes. I cannot however conceal from you that this latter course will not be free from unnecessary inconvenience my responsibility being in proportion extended I shall feel obliged by your kindly considering this question and favouring me with a line of advice for my guidance. I am aware I am giving you much trouble when you are otherwise very busy but I must rely

forgiveness from you generous

My dear

I beg you will pardon me for writing again about the arrival of the Islander at Jaffna. I enclose copy of an official letter which I have sent today to the Chief Secretary and it explains the reason for my now writing on the subject. Without unnecessarily lengthening this letter I simply repeat my grievance that I have

been long kept out of
arrack money which is
due to the Japurá and
I rely upon your generosity
and Kindness for favourable
orders being passed early
The Boldy Yankee also
requires settlement and
if you will be pleased to

every assurance that
you will be convinced
of the justice of my cause
and grant my prayer

Sir

Referring to the Government Notification No 453 of 22nd February 92 published in the Extraordinary issue of the Mysore Gazette of the 28th Idem and notifying the Sale of Monopoly to Vend Arrack I have the honour respectfully to bring to the Kind notice of the Dewan that the Yelandur Jaghire

also has been included within the area where the new arrangement is to come to force. My attention was drawn to this notification when the Copy of the Gazette referred to was received by me and as the Sale of the Circle Comprising the Jaghire was advertised to take place on the 8th Instt before the Daputy Commissioner of Mysore I could not make this representation in time so as to enable the Dewan to Consider it and direct any change in the Settled arrangement. The Question of arrack revenue payable to the Jaghire is now before Government and I have no doubt the Dewan will be graciously

pleased to pass early orders about
it. In the meanwhile I beg to re-
present that during the time the Shops

I am very circum-

The subject matter is my

Yet I have not had the
good fortune of receiving
a pie. Nor is it possible
to know what has been
done in the recent sales
I doubt not but that you
will concede that I have a
valid grievance when the
items of revenue which
I used to realise and credit
during a period of more
than fifty ~~xx~~ years have
been not only withheld
from me, but I have also
been deprived of managing

advantage - I am
copy of a communication
which was on my table
when I returned from
Madrid where I had been
on a short trip. My Secretary
has been upset for several
times and you journey
had to calculate the revenue
of the Jaffa when the Jaffa
Regulation was passed.
I do not know what
further enquiry has been
ordered or required. What
ist according to your advice
you know more about the
Jaffa than any other I
am sure you will realize

my hardship and grant me justice and redress if you will spare a few minutes to look into the papers I again repeat — Be merciful & generous and continue the noble policy of your British Predecessors in protecting and maintaining this State Gift.

I trust you are enjoying your stay on the Hill and my daughter & Mrs are in the enjoyment of perfect health. I am leaving this for Yelanderi tomorrow & shall be back by the time the Court reopens. The heat here does not seem to have

abated, but the health

Serial No 14

My dear Mr. Krishna Murti,

I have duly re-
-ceived your letter of the
4th inst. regarding the
Toddy and the Arrack Re-
-venue.

As to the Toddy Re-
-venue, my Chief Secretary
has sent you copy of the
Government order No. 1463 3-
dated 1st March last in
which it has been ordered
that pending the result-
of the enquiry which has
been ordered into the
right of holders of alienated

villages generally to the
Toddy Revenue of their
villages, the Toddy Revenu
of the Yelandur Jehagir
should be paid to you re
gularly every quarter. I
have no doubt that no
further order is necessary
and that your Amildar
has only to remind the
Deputy Commissioner to
obviate any delay which
may have occurred in
the Deputy Commissioner
Office. - The Chief Secretar
has also written D.O. to
the Deputy Commissioner

I return the enclosu

of your letter. Personally
I am satisfied that the
Jahajire is entitled to the
Toddy Revenue. But you
can easily understand
how in pursuance of the
general order of Govern-
-ment it is necessary, and
in your own interests ex-
-pedient that you should
cause the Sannad or an
authenticated copy of it
to be shown to the Deputy
Commissioner so that he
may satisfy first him-
-self, and then the Govern
-ment, with all the neces
formalities in due course
of official procedure, that
the Jahajire is entitled

to the Toddy Revenue. It
is a very simple matter
and not likely to give
trouble to anybody.

As to the Arrack Revenue,
the question is more dif-
ficult and complicated,
if by nothing else at least,
by the great length of
time during which you
have refrained from
raising the question. I
s easy to dispose of the
laim by urging this
saying that you have
not proved your case.
But with every disposition
to examine the case, the
correspondence of the days
of Mr Bowring and Mr

up and I hope to be able
to discuss the subject with
you on my return from
Ootacamund and your
return from Yelandur.
